

REMARKS

Claims 3, 5, 6 and 8-17 are pending. The Examiner indicated in a telephone call to Applicants' representative on July 20, 2010 that the claims are in condition for allowance once the two SEQ ID NOs provided in the Sequence Listing are inserted into the specification at the appropriate places to identify the sequences described. Applicants herein amend the specification to provide the proper sequence identifiers. As such, upon entry of the instant amendment, it is believed that the claims are in condition for allowance.

FEES

No fees are believed to be necessary. However, if any fees are due, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment.

CONCLUSION

Applicants respectfully request entry of the foregoing amendments and remarks in the file of the instant application. Early and favorable action in the form of a Notice of Allowance is earnestly solicited. If any issues remain that may be resolved by telephone, the Examiner is invited to contact the undersigned at the telephone number provided below.

Respectfully submitted,
